Baby boomers own half of all privately held firms in NORTH CAROLINA

As most of these owners retire, our local business landscape is shifting dramatically. In North Carolina, this Silver Tsunami affects:

SMALL BUSINESSES
are the lifeblood
of our economy

They make up 99.6% of all firms and provide 45.3% of all jobs in North Carolina. In addition, they circulate 3x more money back into local communities than absentee-owned businesses and corporate chains.

By selling to their employees, business owners make a more enduring impact on their communities and help stabilize local economies through job preservation.
